CC Docket No. 96-128, NSD File No. L-99-34

Dear Madam Secretary,

Telstar has noticed that due to a clerical mistake a draft copy of its Reply Comments in the above proceeding was accidentally filed instead of the final version of the Reply Comments. Telstar certifies that there are absolutely no differences between the two versions, but the original filed version contained numerous typographical errors which have since been corrected. Telstar regrets this error, and any inconvenience this may cause. Thank you for your attention to this matter. Please contact me at the below phone number with any questions or concerns you may have regarding this submission.

Very truly yours,
